The minutes of October 10, 2019 were read. Ms. Gonzalez made a motion to approve, Ms. DeLuna seconded. Motion passed.

A printout of the budget balances was made available to the council. These balances show current spendable amounts. Ms. Rodriguez asked some questions about what these funds can be used for. Mr. Larson told the student representatives to make sure they look at the available funds – they were encouraged to add ideas on various ways to use some of the funds for the school. Mr. Craft also asked about the rules regarding spending funds out of the various categories – he would also like to encourage the students to become involved in the process of utilizing these funds.

Ms. Rodriguez is currently the District Advisory Council's representative (DAC). The meetings always take place at the district office. Unfortunately the meeting did not occur in November - Ms. Rodriguez is hoping that the next meeting will take place as scheduled – she will report back to the council as to what was discussed.

Ms. Gonzalez made a motion to adjourn, Ms. DeLuna seconded. Motion passed. The meeting was adjourned at 11:51 pm.
